Grants Proposal and Reporting Manager

Full time - based in Amsterdam (currently remote)

The PharmAccess Group

Are you interested in working at the forefront of **health and development**, in a **dynamic, innovative, international, expert environment**? PharmAccess may be the place for you!

PharmAccess believes in doing healthcare better, especially for those who find themselves excluded. We aim to be an innovator and catalyst for practical changes that can be scaled up and improve how healthcare markets function. This is key to advancing the achievement of the Sustainable Development Goals, in particular the targets relating to the realization of Universal Health Coverage. We do this by mobilizing public and private resources for the benefit of doctors and patients through health insurance, mHealth innovations, loans to doctors (Medical Credit Fund), clinical standards and quality improvement (SafeCare), and impact research. Working in public-private partnerships, we leverage donor contributions to increase trust in the health system, reduce risks and transaction costs, paving the way for private investments.

The Position

For our Resource Mobilization Team, PharmAccess Foundation is currently recruiting a **Grants Proposal and Reporting Manager**. The RM team is consisting of five ambitious colleagues that are tasked to mobilize substantial resources and building strategic partnerships around our digital health agenda for Africa. The team is developing strategic partnerships with corporates, in particular those operating in the health sector and institutional and private donors.

You will be responsible for market research, creating applications for funding as well as donor reporting. In this process you will work closely with our business leads, PharmAccess country offices and the data and analytics team. Since you have excellent analytical skills and understanding of the healthcare sector in low- and middle-income countries, you are an important sparring partner to our colleagues in designing proposals. As you know the global healthcare funding market, you have a good understanding for rising business opportunities linked to PharmAccess' solutions and innovations advancing healthcare in Africa. Besides all this you love of course writing.

Key tasks include:

- Market analysis
- Coordination of proposal development and donor reporting with multi-disciplinary international teams.
- Proposal design and writing, including development of budgets.

- Contribute to monitoring and evaluation of our programs.
- Donor reporting

Qualifications & Requirements

- Relevant Master's degree: (health) economics, business administration, international relations.
- Knowledge and network in the global healthcare sector and donor community.
- Excellent proven verbal and written English communication skills (equivalent of a native speaker). Able to turn complex concepts into understandable well-written pitches, proposals, and reports.
- At least 4 years' relevant working experience including a proven track record in proposal design, development of theories of change, results frameworks, and budgets.
- Strategic, analytical, conceptual thinker, with an eye for detail.
- Team player, target driven, pro-active, can-do mentality.
- Can operate strategically and diplomatically in a complex setting with various stakeholders.
- Good at planning and in coordinating others.
- Interest in healthcare financing and data analytics is an asset.
- Strong computer skills, especially Word, PPT and Excel
- A good sense of humor
