Communications Manager

Full time - based in Amsterdam (currently remote)

The PharmAccess Group

Are you interested in working at the forefront of **health and development**, in a **dynamic, innovative, international, expert environment**? PharmAccess may be the place for you!

PharmAccess believes in doing healthcare better, especially for those who find themselves excluded. We aim to be an innovator and catalyst for practical changes that can be scaled up and improve how healthcare markets function. This is key to advancing the achievement of the Sustainable Development Goals, in particular the targets relating to the realization of Universal Health Coverage. We do this by mobilizing public and private resources for the benefit of doctors and patients through health insurance, mHealth innovations, loans to doctors (Medical Credit Fund), clinical standards and quality improvement (SafeCare), and impact research. Working in public-private partnerships, we leverage donor contributions to increase trust in the health system, reduce risks and transaction costs, paving the way for private investments.

The Position

The Communications Manager heads the PharmAccess Foundation Communications Department, which consists of three staff members. The department plays a pivotal role in the organization and supports the management team, the program managers, and our offices abroad.
