Resource Mobilization Intern

Full time (with flexibility) - based in Amsterdam (currently remote)

The PharmAccess Group

Are you interested in working at the forefront of **health and development**, in a **dynamic, innovative, international, expert environment**? PharmAccess may be the place for you!

PharmAccess believes in doing healthcare better, especially for those who find themselves excluded. We aim to be an innovator and catalyst for practical changes that can be scaled up and improve how healthcare markets function. This is key to advancing the achievement of the Sustainable Development Goals, in particular the targets relating to the realization of Universal Health Coverage. We do this by mobilizing public and private resources for the benefit of doctors and patients through health insurance, mHealth innovations, loans to doctors (Medical Credit Fund), clinical standards and quality improvement (SafeCare), and impact research. Working in public-private partnerships, we leverage donor contributions to increase trust in the health system, reduce risks and transaction costs, paving the way for private investments.

The Position

For our Resource Mobilization Team, PharmAccess Foundation is currently recruiting an Intern. The RM team is consisting of six ambitious colleagues that are tasked to mobilize substantial resources and building strategic partnerships around our digital health agenda for Africa. The team is developing strategic partnerships with corporates, including those operating in the health sector and institutional and private donors. As a Resource Mobilization intern, you will be supporting the team's activities.

Responsibilities

- Supporting the team in researching and finding new acquisition channels
- Coordinating the team's pipeline activities
- Supporting project managers with proposal writing and process management

Who are we looking for?

We are looking for a self-motivated and analytical person to join our team. To be successful as a Resource Mobilization intern, the following qualifications are important:

- Bachelor- or Master level degree in Social Sciences, Public- or Business Administration, International relations or other related subjects
- Strong research and organizational skills

- Strong communication skills with excellent writing abilities in English
- Proactive, hands-on with a willingness to learn
- Ability to organize and prioritize work on multiple projects with attention to detail
- Availability 4-6 months, 4/5 days a week ideally starting mid-January.

PharmAccess offers

- The opportunity to work in a fast-moving, innovative and international environment, engaging with a diversity of countries, cultures and individuals
- 400 Euros and travel expenses (if we are allowed to work from the office)
